Chapter 13

OZAWA!
WHOOA!
SHOCK
Oyamada-kun
So Anytime
Of course
I was just hoping that you'd
come over, too
Who'd have thought...
BUSTED

Con-

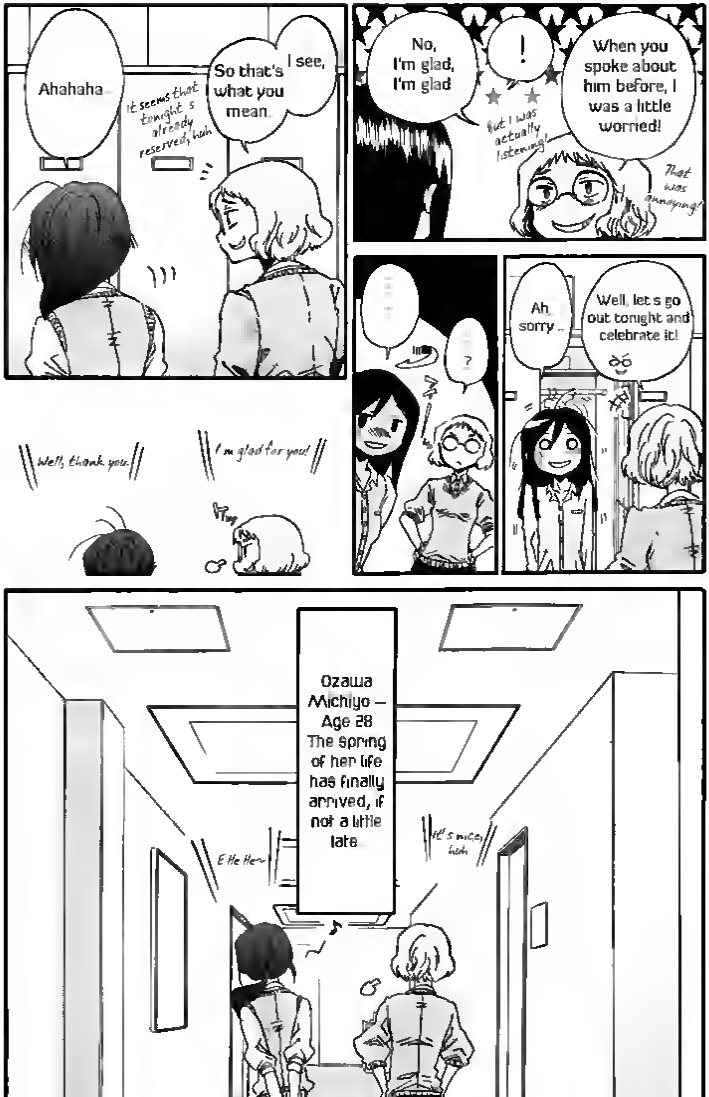
Eh?
Ah,
EH!?
So
that's
what
it is.
Uh
well
Oh
Eh, what's
the story?
A
man?
BUH!

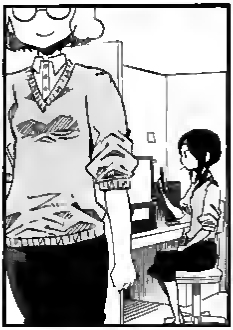


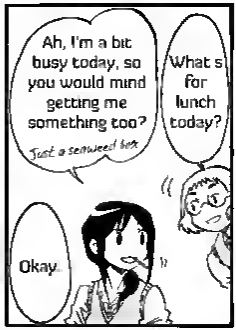
Ahahaha...
So that's what you mean.
I see,
It seems that tonight's already reserved, huh
No, I'm glad, I'm glad
!
But I was actually listening!
When you spoke about him before, I was a little worried!
That was annoying!
...
...
?
Ah, sorry...
Well, let's go out tonight and celebrate it!
Well, thank you.
I'm glad for you!
Ozawa Michiyo – Age 28
The spring of her life has finally arrived, if not a little late.
E He Hen
It's nice, huh

煩悩寺

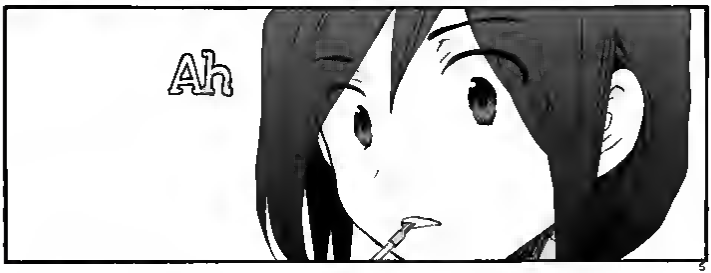
Oyameda-kun
Today
I'm having a seaweed box for lunch today.

Ozawa~
Hm?
Another smokeless cigarette

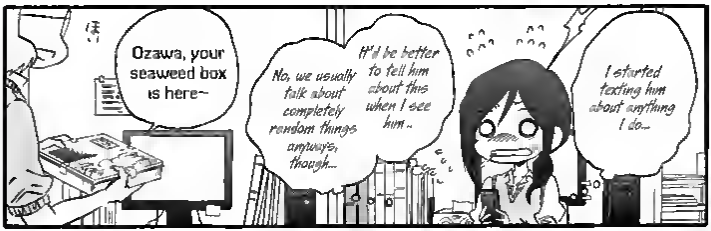




Ah, I'm a bit busy today, so you would mind getting me something too?
Just a seaweed box
What's for lunch today?
Okay.



Ah



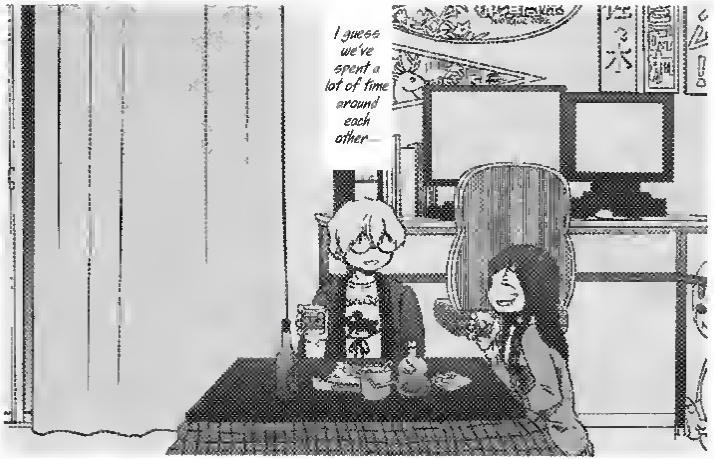
Ozawa, your seaweed box is here~
No, we usually talk about completely random things anyways, though...
It'd be better to tell him about this when I see him..
I started texting him about anything I do...

My pointless text was of use after all...
Thank god
If you don't start eating soon, lunch hour will be over...
Yeah~
Oyamada-kun, you're way too fast!
Gya, he replied!
VRR
VRR
chew
chew
Oyamada kun
Ohh
I dazed off, so your text woke me up
Thanks!
Ozawa-kun!?
I wanna go home!
Arghhh....!
Good work today ~
Good work today ~

煩悩寺

LUCKY!
Is it alright for me to finish early?
You don t have to finish that by today
And you seem to have some leeway in your schedule, so
Are you sure you re not just tired?
You usually don t have such a problem
This calculation just doesn t want to add up, so I was venting my frustration
I m sorry,
From tomorrow forth, I will turn over a new page and actually start working hard!
Thank you very much Assistant Section Chief Yamamoto!
Maybe I should have made her work overtime
Uh okay

buh!
Oyamada-kun
Re: What
Anything besides stinky ramen
Is there anything you would like to eat in particular?
ガヤ
ゴトン
ガヤ
Oyamada-kun
Re: Re: Re: What
Is there anything you can't eat?
Ah..
There isn't anything.
Aye.
Looks like Oyamada-kun had that for lunch, huh.
ガヤ
Actually, this text conversation...
Somehow seems...
Very refreshing...

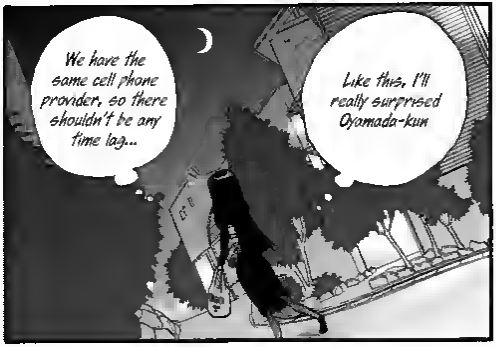


I guess we've spent a lot of time around each other...

This is...
What they call a girlfriend's special privilege...
That happiness...
Hehe

That's it!
Yosh,
I should text him that I've left the supermarket ..Hm..

I'll wait until I'm right at his place,
And send him a text of "Can I come over now?"
And the same time I hit send, I'll say "I'm home""



We have the same cell phone provider, so there shouldn't be any time lag...
Like this, I'll really surprised Oyamada-kun

Why.
Ah,
Welcome home..
Is he here...

Yeah...
I thought that you'd be coming home soon
Since you were texting me on the train,
Yeah
Ah,
EH!?
Were you surprised?
It would make you really happy
Well then, I thought, if I waited for you...
EH!

煩悩寺

Yeah, kind of
You were waiting outside for a reason like that?

He actually thought to himself "Let's just try it and see what happens," that rascal.
…
ほっ
ほっ

I am being pulled deeper and deeper into this dream...
What are you talking about?
What? What?
Even though you thought you could surprise me...
You're completely defeated, you know
I'll tell you over dinner~
Hm,
Aye.

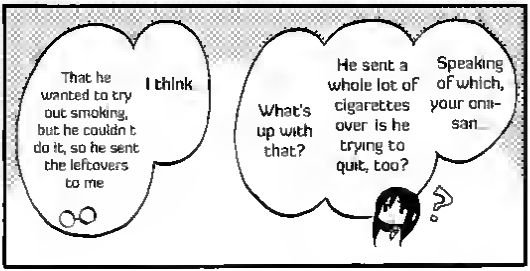
Haven't you done so well trying to quit smoking up until now?

Is that it!?



That he wanted to try out smoking, but he couldn t do it, so he sent the leftovers to me
I think
What's up with that?
He sent a whole lot of cigarettes over is he trying to quit, too?
Speaking of which, your oni-san...

Oh, thanks for your hard work
Assistant Supervisor, this piece is finished
The deadline was looooooggg overdue, though...
Yeah
Today at work, right...
You had really been trying hard up until now
But Ozawa-san, why do you want to smoke so badly today?
Oh
And then he gave me another piece to work on!

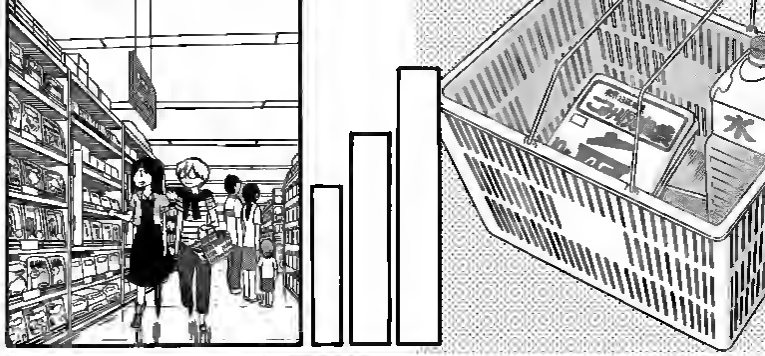
AKIEDA

You're cheery today
Of course, silly...
After all...
This is a date, right?
!

Yeah
Someday, it'd be nice to take a trip to some far-away place~
Are you sure this is good enough for a date?
Well, for now it is
right
Hahaha
We just sit around for days on end when we're at Bonnouji
It's sort of a dl-lemma
but
9
A date~
...
I guess so...
Eh!!
Don't you want to hold hands?

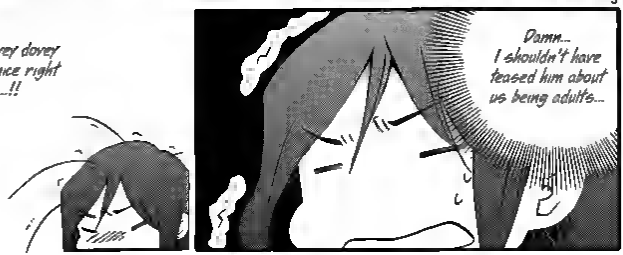
That's...
Quite...
A shame... really
Hehe
If Ozawa-san wants to
Y... yeah
Then...
Bwa haha!
You're just so cute when you blush
Sorry! Sorry!
I suddenly felt like teasing you!
What ? Oh
We're already adults...
So it's kind of embarrassing
Hoho~
I never wanted to get older... But before we knew it...
Here we are!
Yeah...
I didn't realize that Ozawa cared about stuff like that
I never cared. Until recently



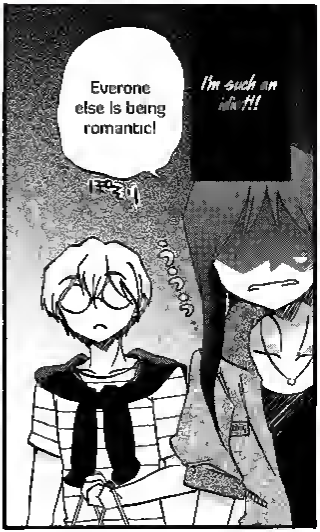
It would've been fine to hold hands after all...!

Damn it...

Everyone here looks so happy

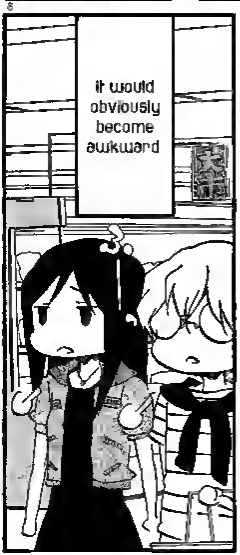


A little lovey dovey would be nice right now...!!
Damn... I shouldn't have teased him about us being adults...



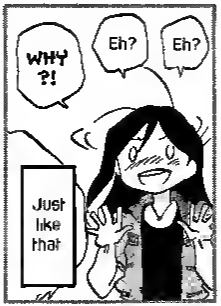
Everone else is being romantic!
I'm such an nik !!!

She wants to act lovey dovey
I bet.



It would obviously become awkward

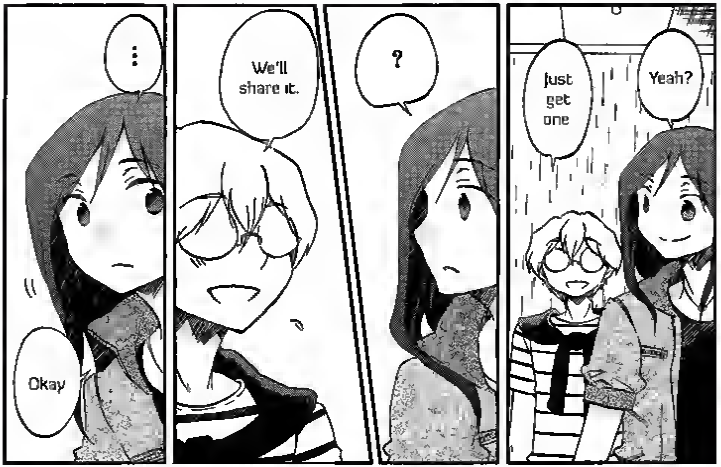
But...
Ozawa-san is pretty easy to under-stand



WHY ?!
Eh?
Eh?
Just like that

If I sud-denly asked
Want to hold hands?
On our way back,

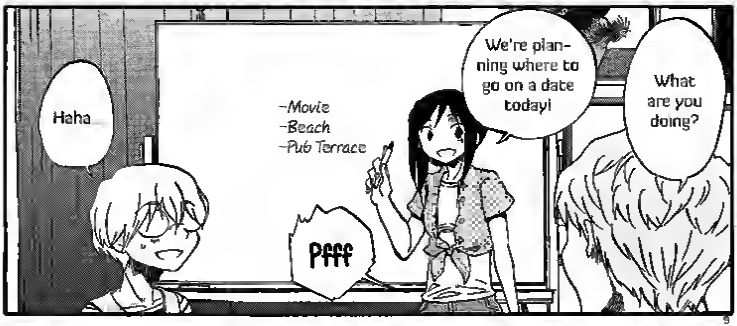
Thank you for your patronage!
What should I do?
Hmm
Easy to understand, but not to deal with
I can't think of anything...
Heh
What a pain...
What now?
Yup
Rain?
Eh?
Ozawa-san!
I'll buy us some umbrellas!



Yeah?
Just get one
?
We'll share it.
...
Okay

This weather is great!

Hi
Hey!
Baka couple!
Yo!



Haha...

We're planning where to go on a date today!

Well...
I guess not...

Geez..

Nah, I was just kidding

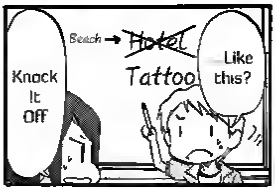
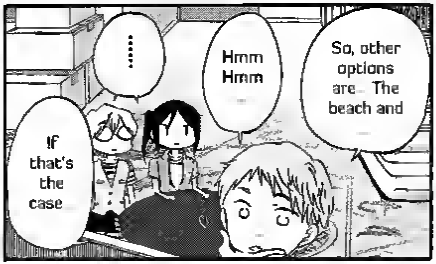
Hey!

Maybe at some point.
Yeah, yeah!
Sigh...

Normally you'd do that type of thing...
Eh?



Beach → ~~Hotel~~ Tattoo
Like this?
Knock it Off



So, other options are... The beach and...
Hmm Hmm...

If that's the case...

Or billiards... Or darts or something
I used to do that
Maybe... Bowling?
Where does Oyamada-kun want to go?
It's nice to be able to move around a bit!
It's nice to be able to move around a bit!

Do you...

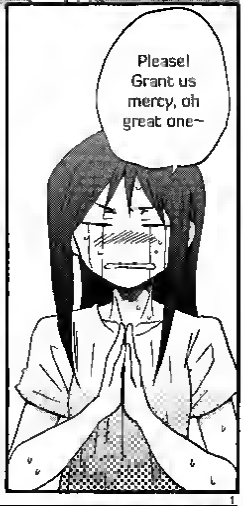
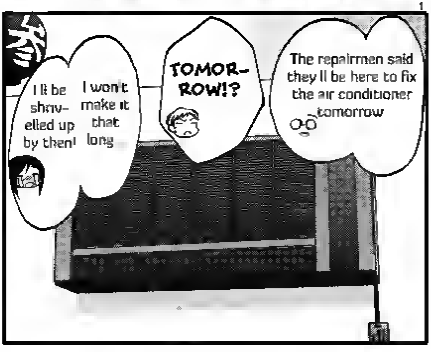
Hey! Oya-mada!
Get over here and beg, too!
Alright, that would be great
Until then

I truly beg of you!
I don't think I can take it much longer~

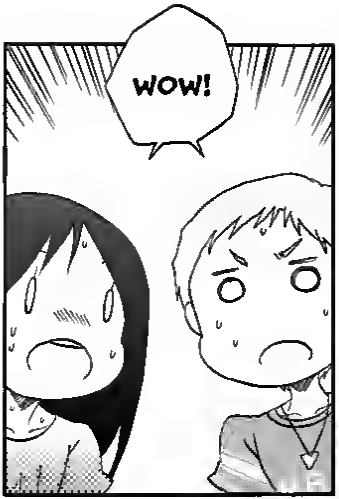


Please! Grant us mercy, oh great one~

So, how about
Huuu~
Haha that sounds serious!



I'll be shov-elled up by then!
I won't make it that long
TOMOR-ROW!?
The repairmen said they'll be here to fix the air conditioner tomorrow



WOW!

Well, Ozawa-san will be happy if we just pour some alcohol over it.
HEY!

GOD!!
I've prepared some ice too!

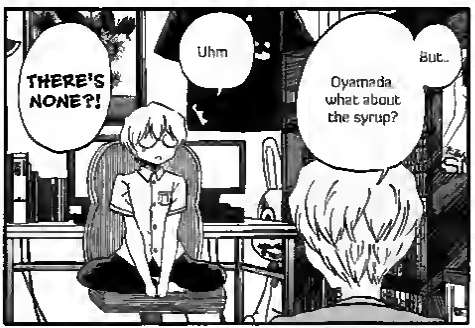
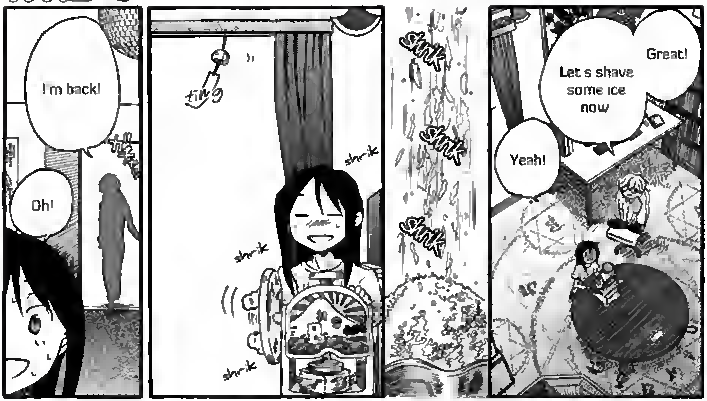
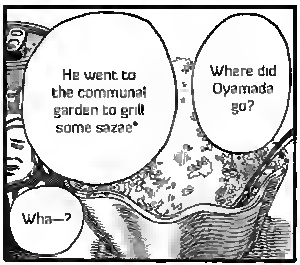
I guess I'll go buy a soda or something from the vending machine downstairs
Ooh! Get me one, too~
THANKS



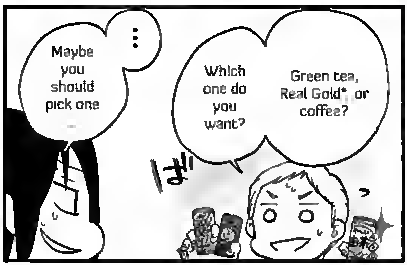
THERE'S NONE?!
Uhm
But..
Oyamada, what about the syrup?

煩悩寺

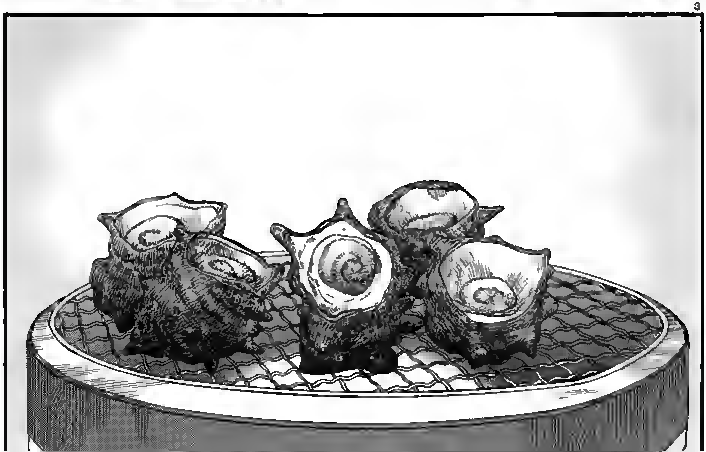




T/N Sazae, known in English as the turbo cornutus, is a type of sea snail and is popular food in Japan.



T/N. Real Gold is an energy drink by Coca-Cola sold only in Japan. Obviously Shimo-pon is teasing Ozawa.

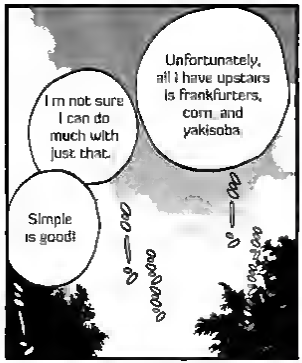


I see, you're saying you want me to show you my genius cooking skills?
Bonnouji also has a kitchen we could make food in, so ..

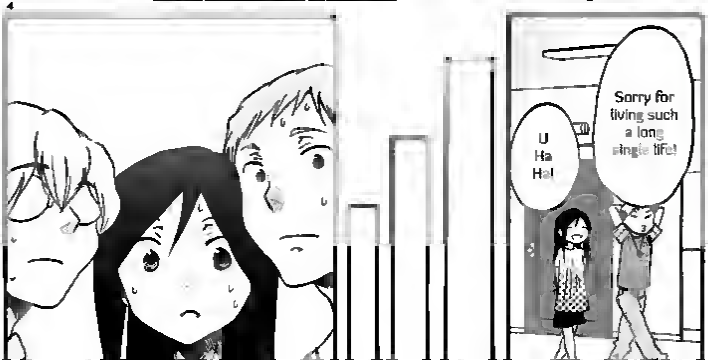
I have permission from the landlord
But Are you sure no one will be mad?

Awesome!
I just got them from my brother!

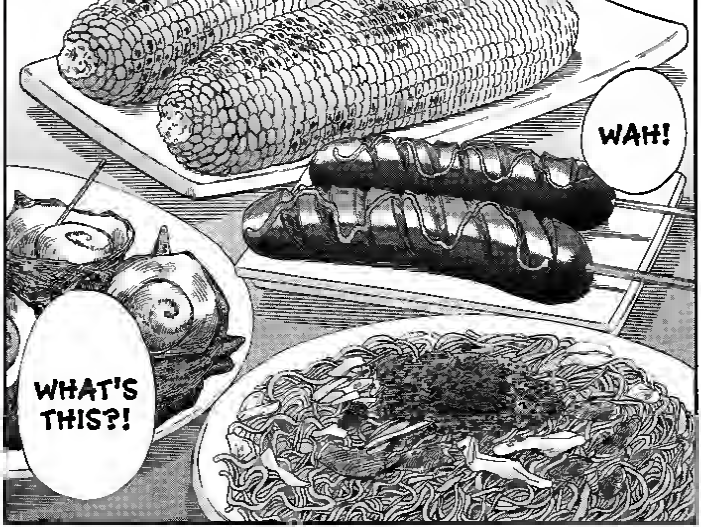
Why are you being so self-conscious when you're so good at cooking?
I'm not being self-conscious!
So
Just do it like normal.
Eh~ So, Shimapon is a good cook.



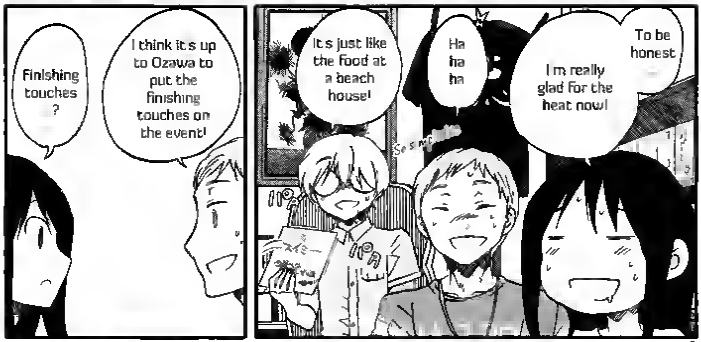
Unfortunately, all I have upstairs is frankfurters, corn, and yakisoba
I'm not sure I can do much with just that.
Simple is good!



Sorry for living such a long single life!
U Ha Ha!



WAH!
WHAT'S THIS?!



Finishing touches ?
I think it's up to Ozawa to put the finishing touches on the event!
It's just like the food at a beach house!
Ha ha ha
To be honest
I'm really glad for the heat now!

The beer's gonna get flat...
The food's gonna get cold...
Can't
Hear
You...
No way! I won't do it!
EH!?
Oh yeah! I just found an awesome box back here!
BAM!!
SWIMMING SUITS

I wonder if there's a cute one here~
Look at you so enthusiastic
Even though you know what kind of person he is
Ha Ha Ha!
Oyamada wants to see too!
Leave me out of this...
He doesn't want to see
Grin~
Look what you did!
Hurry up~
Stop telling me what to do...!!
I'm ready!
OOO HH!!

Tada~
WHAT THE HELL?!
It's not my fault. It's filled with boys' swimsuits...
Hey Shima-pon, what are you so mad about ?
Hey What's the matter?

I have two parcels for you
Excuse me,

Ah!
Coming!
PIN POON

I sign here, right?

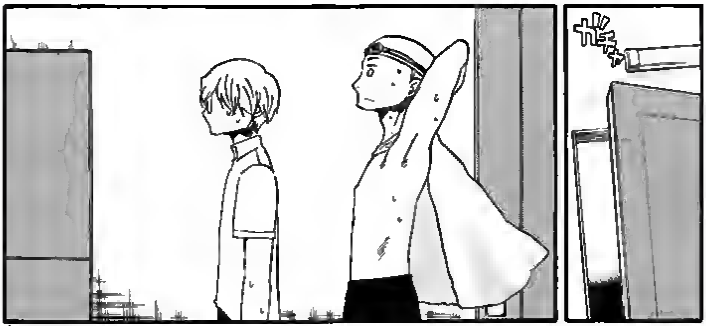
Great!
I'll ask the landlord IF we can use them in the garden.
Brother sent something good this time.

Oh, cool
It's fireworks! Fireworks!
Oyamada, look!

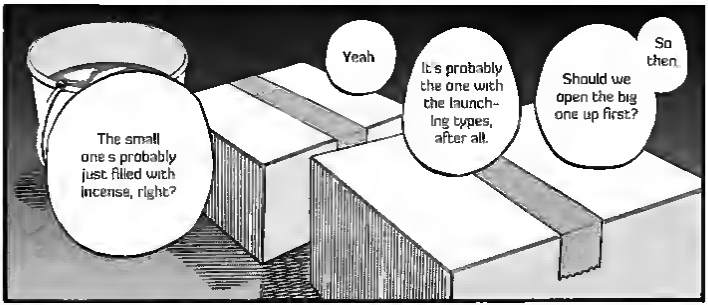


ガチャ

10

Don't follow me
Wahaha!

So what did he say?
As long as we don't launch any rocket types
And as long as we clean up afterwards then it's okay
Yay!



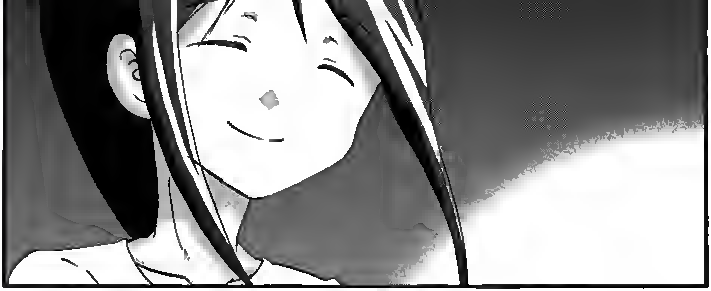
So then
Should we open the big one up first?
It's probably the one with the launching types, after all.
Yeah
The small one's probably just filled with incense, right?

Great!
Then let's get started!
Yay!
Yay!

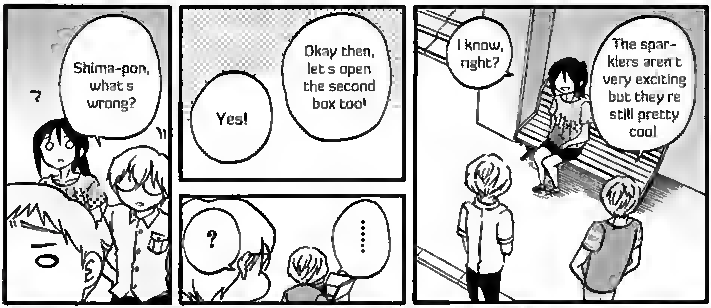
At any rate, it looks like these ones here should be fine
Wow! There's a lot of them~

12

Eh?
My precious friend,
Light it! Light it!!
And my precious boyfriend
Maybe the abnormal heat for this time of year,
Or the pretty sparks
The pleasant hipsiness,
Perhaps it was the unusual atmosphere
I lost my naive assurance that these important people might always be at my side
Pretty~
It's pretty, isn't it~



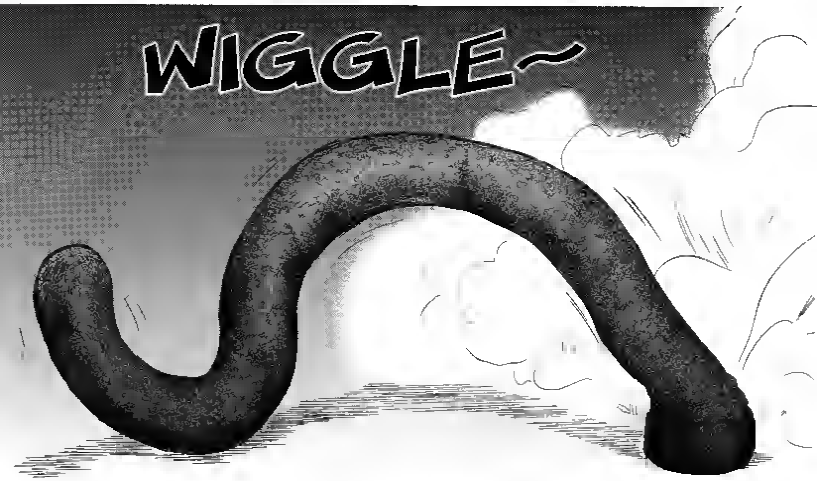
Squeeze



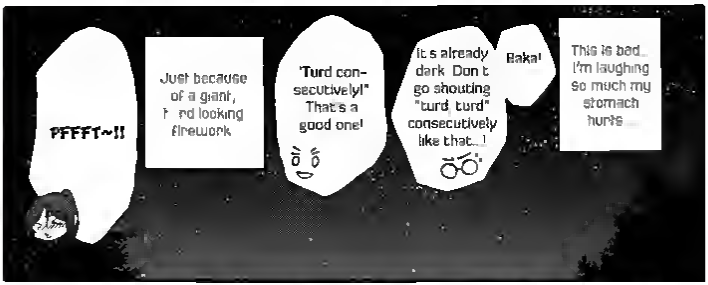
Shima-pon, what's wrong?
?
Yes!
Okay then, let's open the second box too!
?
.....
I know, right?
The sparklers aren't very exciting but they're still pretty cool

Super Giant Snake Fireworks

Oh man...
Wai-
This was the only thing in the box...
But
.....
Exactly what it looks like...
What's that?
Well, we may as well do it, right?
I guess so
Yeah
Might be better to do it over there, where it's a bit brighter



WIGGLE~



PFFFT~!!
Just because of a giant, f**ed looking firework
'Turd consecutively!' That's a good one!
It's already dark Don't go shouting "turd turd" consecutively like that...!
Baka!
This is bad... I'm laughing so much my stomach hurts...

My petty worries from earlier suddenly seem so ridiculous and small.

T/N For those of you wondering, these fireworks actually exist

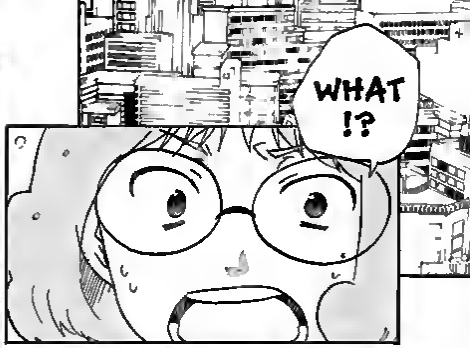
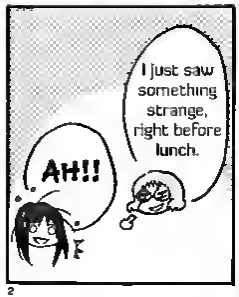
Wait wait wait... You mean...
You must have done something right?



WHAT !?

...Yeah
Eh?
You spend the whole summer vacation lighting snake ball fireworks!?
You just got a new boyfriend and you're telling me



AH!!
I just saw something strange, right before lunch.

I bet Watanabe would be really surprised if he saw this, too!
Isn't it big?

So how long have you been going out with him now?
Hmm... About half a year...?
So you haven't done anything yet?
Hmm...
Oh, I didn't mean that in a strange way~
#
This is bad...
...?
What's wrong?
...?
At all...
We haven't done it yet
...
o
Huh?
As in,
What you meant by "in a strange way"...
WHAT !?

THAT'S RUDE!
Don't be so proud about it!
I didn't make any moves either!!

What should I do...?
This is bad, right?
Even if you ask me...
How would I know!
I guess...
Don't you have any friends who know both of you?
It's better if it's someone who knows him, right?
So, I get what you're saying...
What do you think?
.....
.....
I was a fool to get roped in by the meat.
Why...?
Of all the possible things,
Why should I give you baka couple advice about your sex life?
Ugh...
There's this girl at work I was thinking of introducing you to...
So, we're just getting to how Oyamada gonna do this, right?

Well, at first, he really was thinking about it you know?
Ooh!
But, it's wrong to take advantage of a drunkard, right?
Huh...
So then, time passed and he never saw a chance,
And, well, if something ever happened, he'd deal with it then...
Is...
Is that so...?
Is what he started to think
But, you're always drunk when you're at bonnouji, right?
!!
It seems like you're stressed from work.
So he's just happy to see you unwind with a drink or two
!!
HEY!!
Laughing at me when I'm down!
Sorry! Sorry!
But, you know...

煩悩寺

Ugh
Isn't it just that you don't have enough femininity, Ozawa?
But this doesn't solve my problem at all!
Who knows...?
What do I have to do...?

Eat!!
Anyway, don't worry about it right now! Drink! Drink!
Eh...
Passing time, just the two of you, he said he likes it a lot
Drinking, chatting
This is really good

Hey...
Help me out here...
Ha, ha, ha
Unfortunately, I think I lost my Femininity a long time ago
It means I have to become more feminine if I want to break out of this elderly couple routine
Huh...
What's with that feedback?

Ah! Perfect timing for the young people to show up!
Should I order a bentou lunch?
Senpai~ What are we doing for lunch?
You broke up with your old boyfriend, senpai?
Eeeh—!?
!
?
I'll treat you to lunch, so you two should lend your senpai here a helping hand
Um...
How did you meet your current boy-friend?
So
So
Ah!
That's true
But, maybe it's better to not ask about her ex, right?
I guess we have to start there or it won't make sense, heh
I want a boyfriend too~
That's so cool, senpai!

煩悩寺

Easy for you to say!
Come on, it's not that cool!
Ah
Let's see
Don't you have a photo of your current boyfriend or something?
I think I have a random picture on my cell
Uwah! He looks nice!!
Show me, show me!
A younger guy! That's awesome!
It's true! He looks so nice!
And his room looks pretty interesting too!!
Watanabe
With this atmosphere, it's completely impossible to guess
If they've done it or not!

Don't worry about it
Thanks for the meal!
……

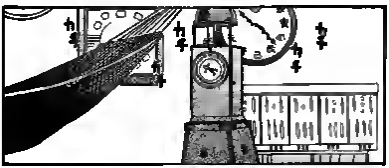
Huh!?
That's it! Isn't that what femininity is all about?
Wait a moment, Ozawa!
Hm…?
Yeah…
We didn't really figure anything out…
……
Wa Ha Ha
I don't think I could ever do that.
……

Want to go for a drink?
Yeah
I can't bring myself to laugh about this
Uguuh
I went drinking with Watanabe
You're late today
Hmm
I'm home~
11
Hm?
Some-thing happen?
Oyamada-kun's not going out of his way to encourage me to drink
.....
I see
If you wanna drink some more, the fridge is stocked

I'll drink! I'll drink!
I'm going to drink~!
Not really~
……

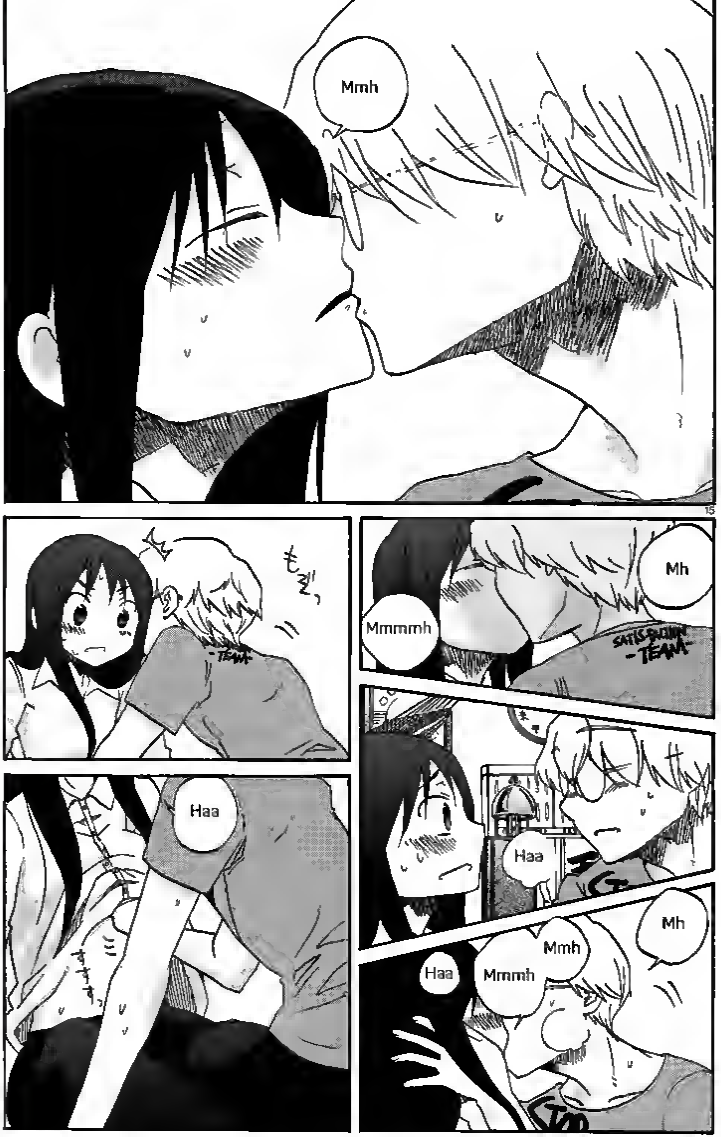


しん

Are you mad, Ozawa-san?
Not really
The truth is, Shima-pon called me earlier
And asked me about all kinds of stuff
!?
Um, you know...
W-What kind of stuff? How much did he say?
Hmm...
Pretty much everything I guess
Ha Ha Ha
!!
SHI MA MO TO ..!!

Ah, so you don't really remember, eh?
I think I said something like that...
Stupid me
Like that.
...
When I'm drunk, I don't mind it at all. I want him to do something with me
Seriously

!
Well, as a man,
Sorry about that
You're really something else, aren't you
It would be pretty pathetic if I didn't do anything even after you said all that



Mmh

Um...
Wait a second..
Hm?
What now!?
What should I do!?
Ah!
Ah!

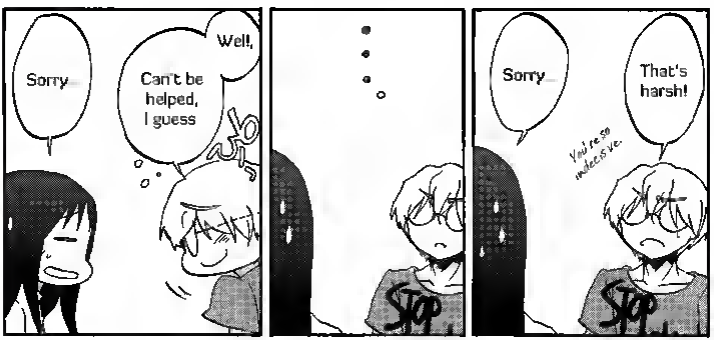
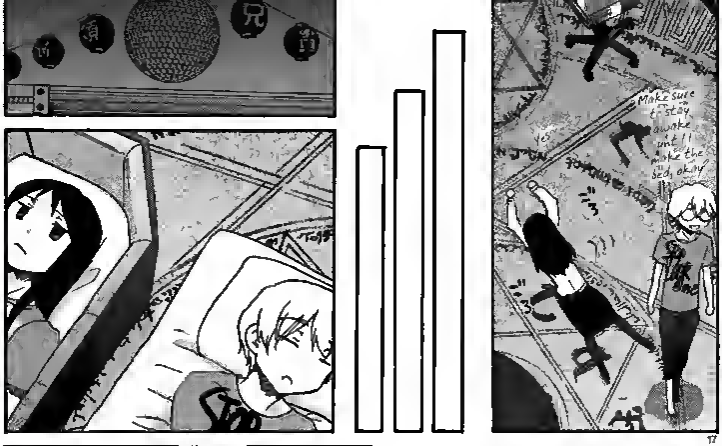
Hya~
Hyah~

I...
Sort of drank too much and I'm really tired...
!...



Sorry...
Well, Can't be helped, I guess
Sorry...
That's harsh!
You're so indecisive.
STOP
STOP



It's the first time Oyamada-kun touched me with those intentions.

Aah~ I just really love this guy...

Is what I started to think...
Because of that,
Uwa uwah!
Is it really okay to just go with the flow and do it like this?
THIS 30 YEAR MAIDEN HEART, IN SOME WAYS, MIGHT BE THE STRONGEST FEMININE POWER THERE IS!!
And
I lied...
Even though I passed that innocent phase long ago
Before I knew what the lower half of a gentleman looked like.
I'm really sorry...
I'm sorry...
Even though it's fine already~
Ugh
I'm so stupid...

Yes, that would be great.
I can eat anything!
I have a meeting this time
Yeah
Work?
Well, I'm really not sure about getting new jobs.
But my brother's good at that, he knows a lot of people.
Hmm...
It seems that there was a big transition in the management.
Yeah
And some of the people in the middle are going to change.
Didn't you say that since you always have the same client
That's rare
You don't usually have to meet them?
Who knows...?
Is that going to be alright?
A big transition at this time...?
And so sudden...

Yes, just like that
Hmm, I see

Anything's fine.

I'd like to eat Ozawa-san

I want to hear your reason for this!
Something interesting happened, right?

A while ago
I kept messing up with Ozawa-san, yeah

煩悩寺

It would be so funny!
"Please eat me!" like in that famous line.
If you think of it that way,
Then Ozawa-san also counts as a dish, right?

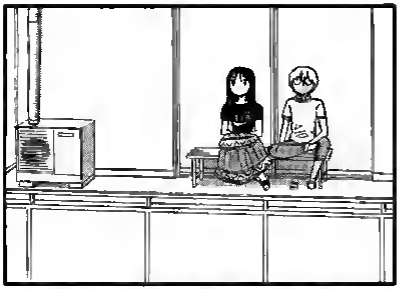
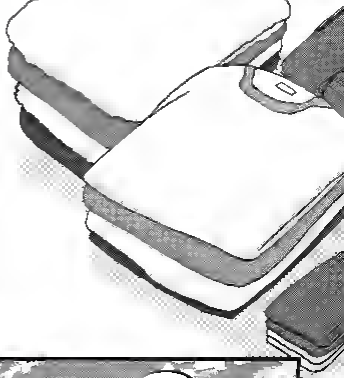
In that case, it might be faster just to buy a new one
And clean that?
What if we take out only the inside

It was the first time I was in this situation
It does! hehe
Smells so good!
But
It felt strangely nostalgic
So nostalgic... That it gave me a strange premonition.
From now on...
I would continue to see this scene over and over... I thought



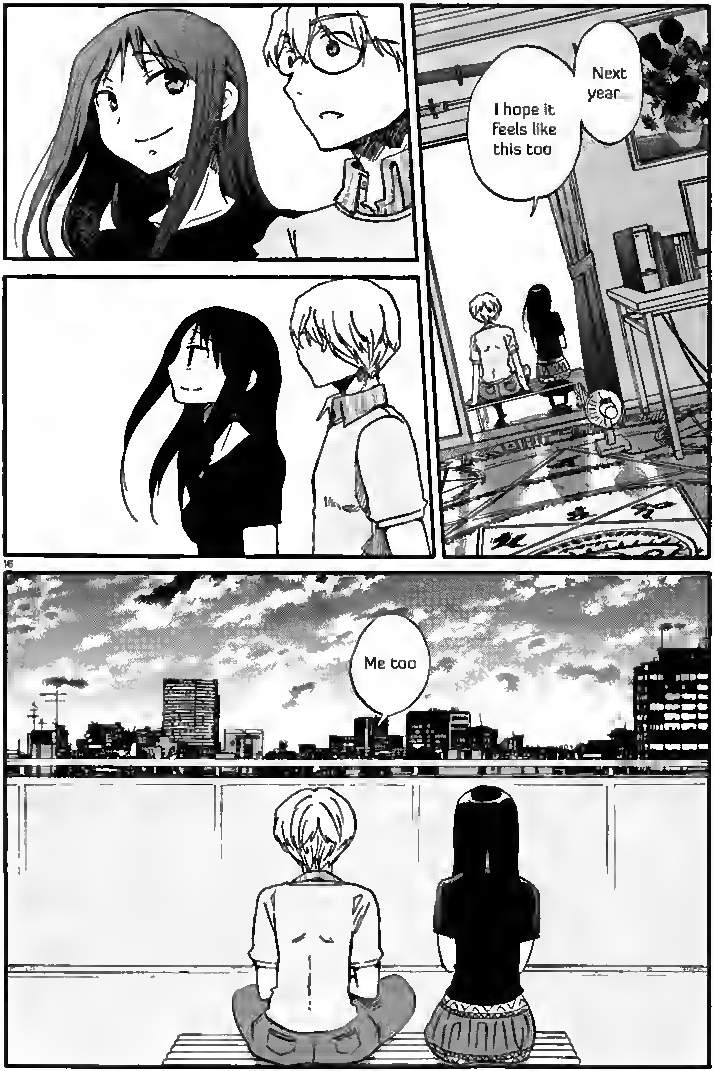


The summer is going to finish, isn't it?
Yeah...

It was just what I wished for, deep in my heart
Or may be...

Maybe it was just an illusion that the last part of the summer was showing me

I thought



Next year...
I hope it feels like this too

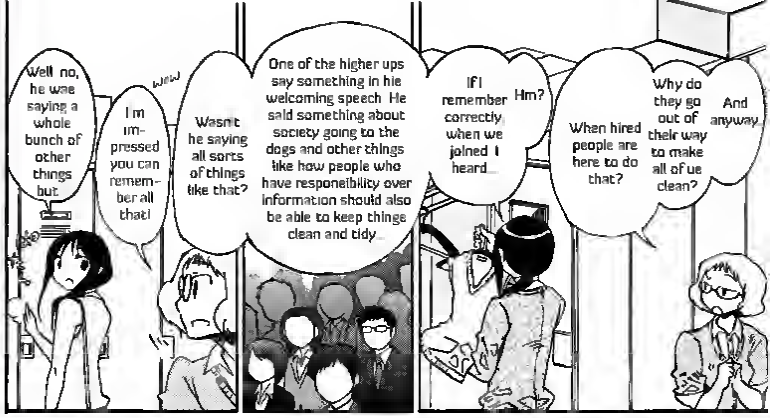
Even though she acts as we know her in Bonnouji, in the end, Ozawa-san is also a normal Office Lady (OL)



Well no, he was saying a whole bunch of other things but
I'm impressed you can remember all that!
Wow!
Wasn't he saying all sorts of things like that?
One of the higher ups say something in his welcoming speech. He said something about society going to the dogs and other things like how people who have responsibility over information should also be able to keep things clean and tidy...
If I remember correctly, when we joined I heard...
Hm?
When hired people are here to do that?
Why do they go out of their way to make all of us clean?
And anyway

How mean!
Haha!
It just means that his illogical thinking wasn't worth remembering, right?

So you made some for me too!
None at all.
Yeah!
Do you want breakfast?
Yeah
Well you always sleep until noon when you stay over I guess
Then, my second thought was, "Is he really the type to eat breakfast anyway?"
I see
So
At first I was thinking, "I shouldn't wake him, it would be mean," right?
Right.
Would you want a drink? Maybe coffee? Tea? Green tea?
What condiments would you like on your egg or salad?
How do you like your eggs?
If you wanted toast then how many slices? And if rice, how much?
do you like bread for breakfast? Or perhaps you prefer rice?
And even if you did...
But anyway,
I didn't know if you'd really eat so soon after waking up
Ya know

So I ended up thinking about all that...
Haha I see...
...and ended up frustrated and decided just to make my own.
Wh-what did I do?!

I'll have everything you had, Ozawa-san!

In that case, let's see

I just feel bad for you going to all that trouble

Still...
Of course I don't mind if you give in whenever we disagree
Haha~
It's one of those things you know
How should I say it... I want to know the preferences of the guy I like?
Over our two years, we've sort of wasted our time together by being too polite and considerate..

Well so tell me!
Okay...

Yeah, sorry.
Aah...
so let's just let that one slide, okay?
It gets awkward if you blush like that,
And...

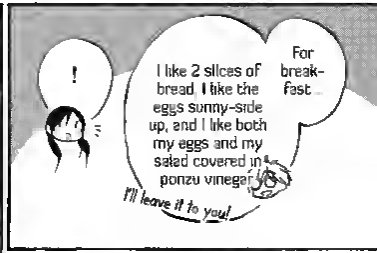
Yes?
Ozawa-san, it's...

Hey!!
It's those kinds of things about you I really love!

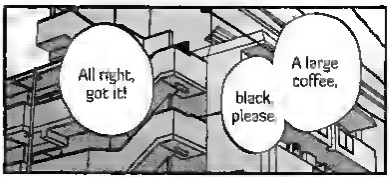
Oh.
And...

Let's see...

Oh yeah, I almost forgot
Oops
how about a drink with that?
Oh,



!
I like 2 slices of bread. I like the eggs sunny-side up, and I like both my eggs and my salad covered in ponzu vinegar.
For breakfast...
I'll leave it to you!



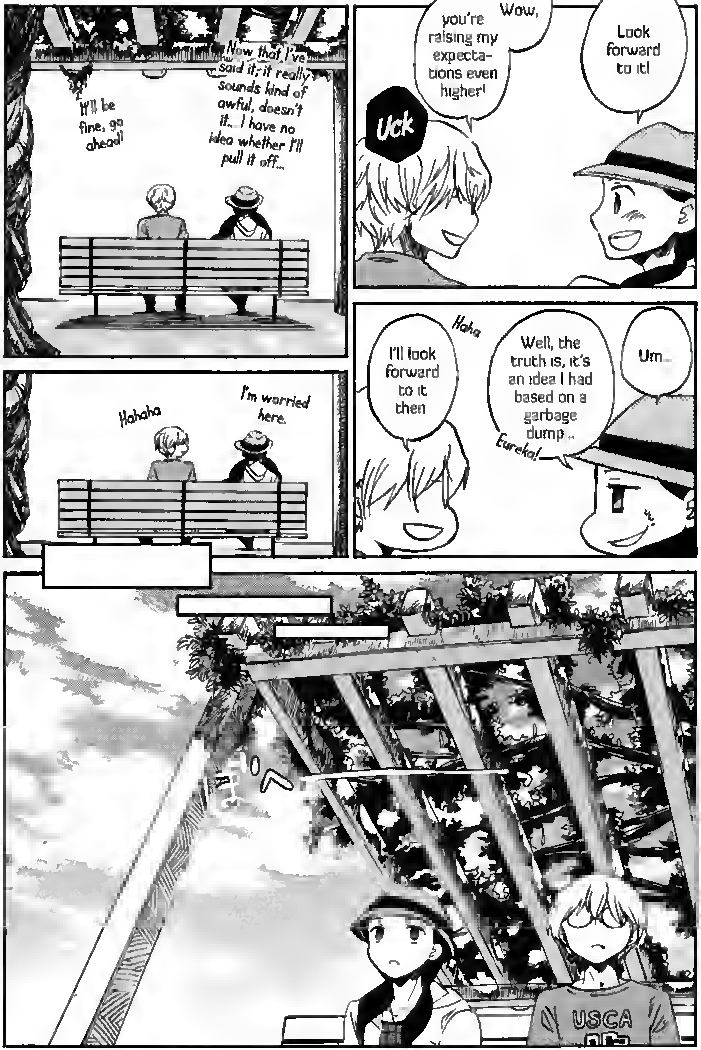
All right, got it!
A large coffee, black, please.

Okay~

Yes?
That video you showed me,
It was really different from what I imagined
He somehow seemed a lot bigger than last time I saw him
By the way...
Yeah?
About your brother
Aah
There was a time,
he said that humanity is really all about food, or something and...
he devoted himself to discovering the best foods
Yeah
Wait!
Does that mean that you'd look like that if you ate a lot more?
Pro-bably
Please stay just as you are
Got it?
I'll do my best!
Thanks for the meal!
Hehe

This kind of thing is also nice from time to time!
Yeah
It's gotten a lot more comfortable too

Will you let me take care of that?
Oh?
Yes?
Bonnouji's remodeling!!
I had forgotten!!
Speaking of Bonnouji!
Ah!
I know right?
ほへーー
A whole day can fly by just hanging in the room or snooping on the neighbours through the hole in the wall.
And with bonnouji,
ほへー
Is that so?
I want it to be a secret from you until it's finished
I see, I see
so this time I want to do something in return... 'kay?
You're always giving me surprises.
Wait—
Then Shimagon and I can do the heavy work.
Just tell me what you want where.
Sure that's fine!
Great! It's decided then!!
As long as that's fine with you, Ozawa-san.
so you can stay at my place until then.
I'll finish by the weekend.
Super!
Sounds fun!
I'll leave it to you!
USCA
05



It'll be fine, go ahead!
Now that I've said it, it really sounds kind of awful, doesn't it... I have no idea whether I'll pull it off...
Wow, you're raising my expectations even higher!
Look forward to it!
Ack
Hahaha
I'm worried here.
I'll look forward to it then
Haha
Well, the truth is, it's an idea I had based on a garbage dump...
Eureka!
Um...
USCA

Squeeze
Let's...
Should we go back. ?
...

Hmm?
Ozawa-san..
Mnh
Can we do it?
...
Ooh!!
Over here!
Geez, you're hopeless!
I see, Is that so..
You don't have to ask every single time
Come on
Haha
Ah!!
Huh?
Eh? Ah? Ah~~~
Well, aren't we going to have a shower first?
Eh?
What is it?
Ah..

Without my glasses, I can't find anything
わた
And it's a bit hot too, so..
I'll turn on the A/C .. where's the remote ?
It's pretty bright,
I better close the curtains
Oh!
Good job!!
I found them!
USCA
15
Eeh?!
How should I know?
And, by the way,
I wonder where I left the condoms?
Didn't you leave them on the desk?
Just before...
Ah!
First though, glasses, glasses ..
Look~

Ah
Since you found the condoms, why do you need your glasses?
And I have the air con remote here.
Hey...
Now all I need is my glasses
Yes
Oh, genius Oyamada...
That's why I said, "I'll do my best," right?
Why are you so different from yesterday?!
What's up with that?
I'm so sorry
So embarrassing!
I can't do it anymore This is way too awkward!! Woa
わっ

Smile
Hmm
I see
...I turn into a total klutz
when my little head takes over...
Well, I guess with today's mood
All right
Well, that's a big relief!
Well
Normally, I'm just like this
I felt a bit scared yesterday, since you were a total hornball.
Something like that
Truth be told
Uwah!
You look happy about something...
Huh
Well then...
From your best friend, Shimapon-san
I see... Sorry
Where did you pick up that term?

In that case, Let's change tack here!
You know what they say... It's good to have an experienced girlfriend! So... feel free to take the lead!
Wha-!!
And where did you get that idea...?!
And "they say?" Who says?!
I got it from those DVDs you gave me...
Eh?!
ERO STUFF
Ah...
Cool!
I guess we'll both have to do our best then!!
Okay,
Then...
I'll see what I can do
That means
you too, mister
Do your best!
Haha
Get ready!

A bad hair day~ The morning after he used a different shampoo than usual!
OH!

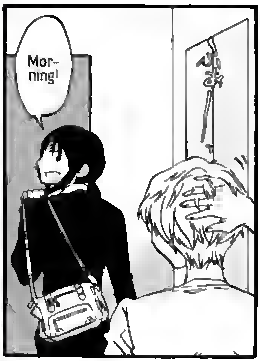
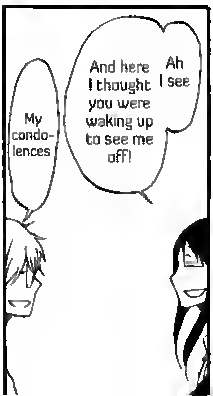
第24話



Morning!

Morning
むにゃ



My condolences
And here I thought you were waking up to see me off!
Ah I see

That's all
so I can't just sleep in and loaf all the time
It's not just that my deadline's coming up soon.
You don't have to get up early just for me
You were up late last night, weren't you?

バタン
Okay, take care!
Well then, I'm off!
Well then, today, I'll...
...make my way to work.

Wait...
Eh?
Got it!
Would you grab me a nori bentou*?
What are you going to have?
Ozawa, lunch?
Huh?
Do you have to put that much effort into something like that?
I'm drawing up plans for redesigning a room
Cool right?
This isn't work, actually
Hmm m?
You have so much work you can't spare some time to go out to eat?
What's up?
For the room make-over,
prepa-rations are needed —
— lots of prepa-rations
Ah!
Thanks.
A nonben and a chicken nanban* please.
Hello, excuse me
Huh?
Introduce me to some kouhai* who plays mahjong, won't you?
Wata-nabe,

T/N noriben/nori bentou: A lunchbox with rice, nori seaweed, vegetables, and a piece of fish or meat.
T/N Chicken nanban: A japanese chicken dish with a sweet and peppery sauce
T/N Kouhai: a junior at work or at school.

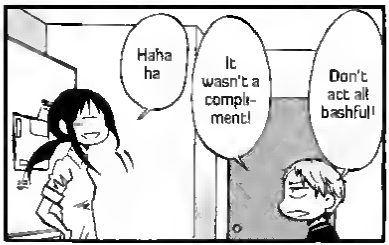
...this is the layout.

What's with that?

Well

This is lame...

Help me!
Please?
I'll introduce you to a girl, just that she won't know how to play mahjong



Haha ha
It wasn't a compli-ment!
Don't act all bashful!

You think so?
You two are really two birds of a feather...

You better believe it!
You're managing well with Bonnouji?
So?
Welcome back!
I'm home!
It's just that your room is packed
Hm?
doesn't really have much in it.
You know, your room...
Haha
Thanks for the food!
Help yourself!
Oh, I see
I'm sorry I crushed your fantasies
...just that it's a bit different from my image of a girl's room
It's not like that
Why?
Well...
I guess it is on the sparse side
Well...

Okay
I'm going to take a bath.
Is that so
But it's like you, somehow
the story
Hm?
Actually, I want to tell you
That's a compliment, okay?
Oh.
I was thinking that I'd move out
back when I packed away my ex's stuff...
Originally,
After that, I was trying my best to keep my things to a minimum

Oh
"I'm sure you don't want me to go on about my old boyfriend though, right?"
is what I thought.
So there isn't much here
because I was down after the breakup I guess
Or because it became a habit, maybe
Oh
So now for my own selfish satisfaction,
I've unloaded everything on you
That's fine.
I see
So that's why I didn't say anything before
But then, avoiding the topic didn't seem right either
Oh
Well then, this time I'm actually going for a bath
Okay
See you soo—

Thanks for saying so
Okay!
I really love that side of you
Hm?
Oya-mada-kun
I blurted that out after I felt strangely guilty-
SQZ
I'm off again!
Now,

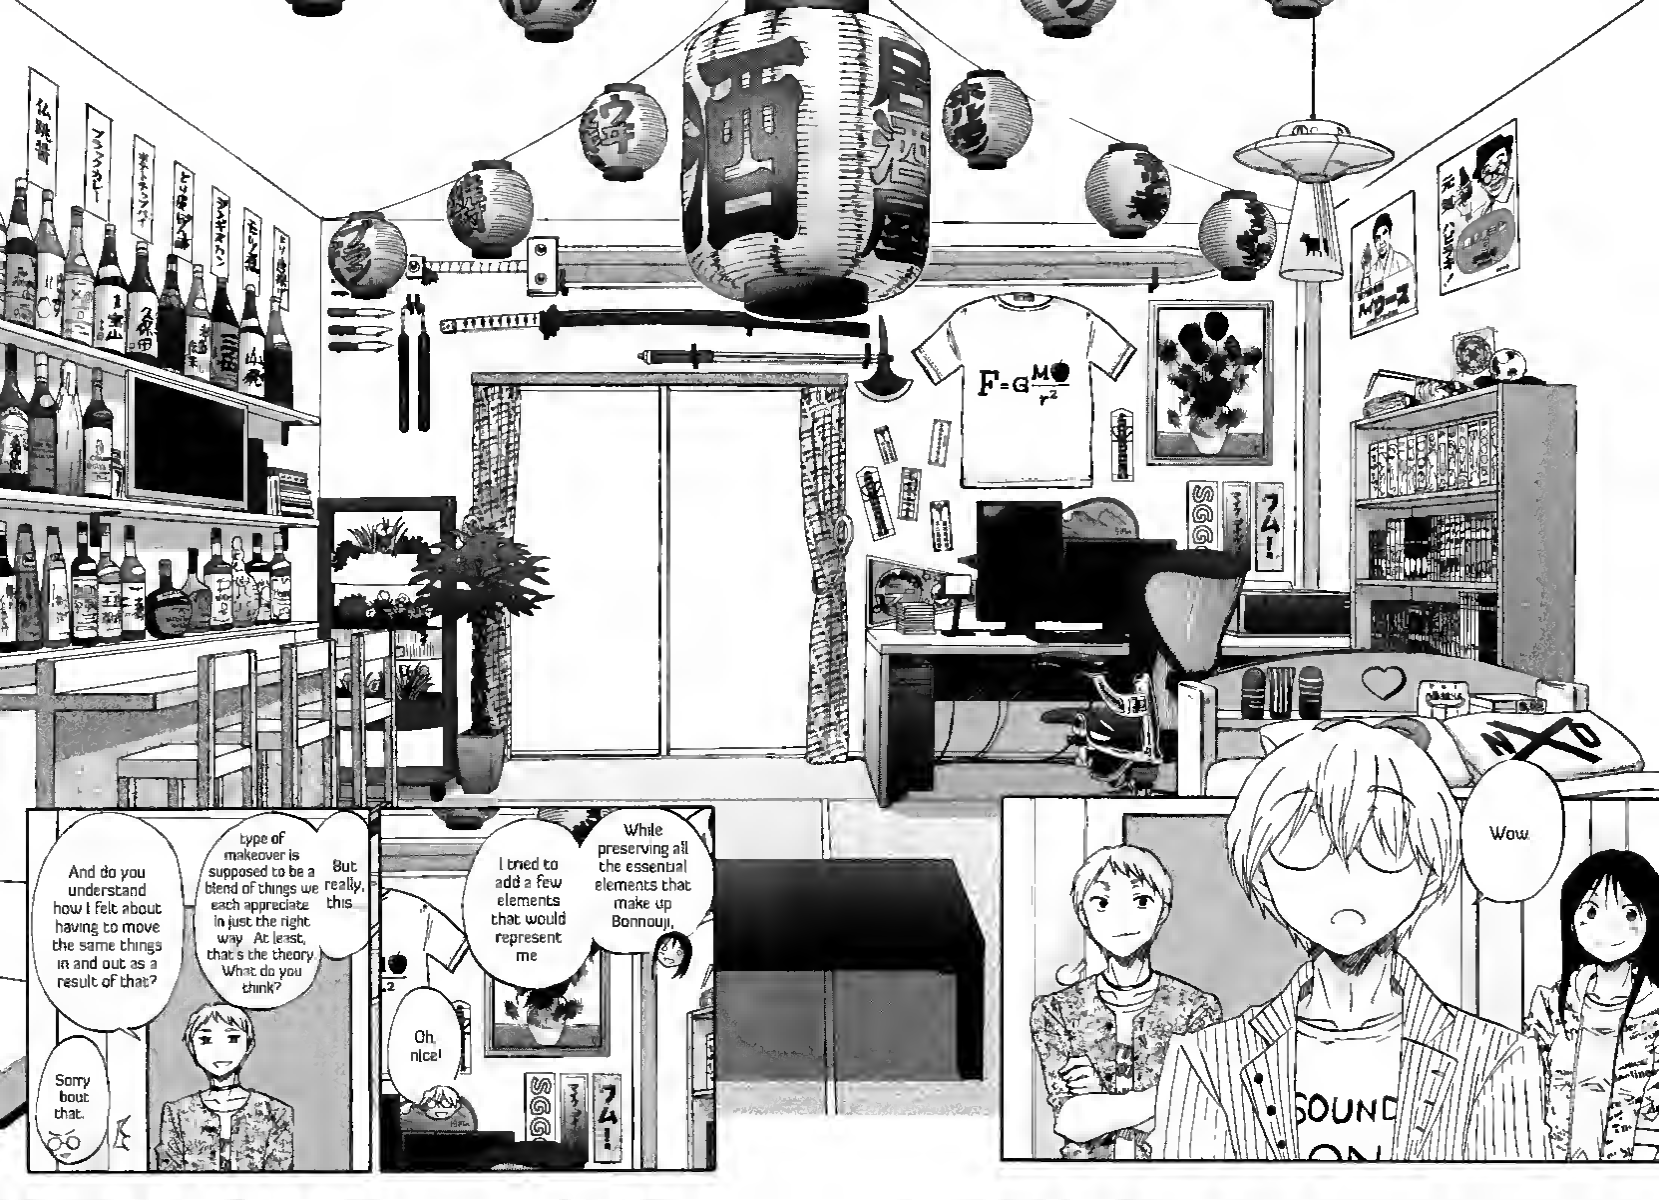
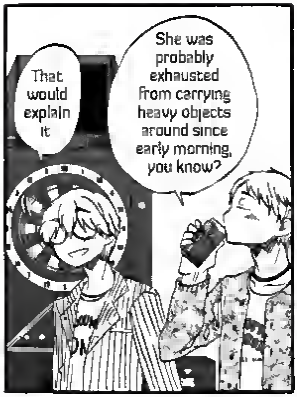
WORK
Welcome back!
Tomorrow!
I'll be all done with Bonnouji!
Nice!
I'm home
Right.
I actually have a new PC that should be delivered tomorrow night.
I'll make sure to get it for you
Thank you
Please do!
I'm looking forward to it!
Mah

I'll hook it up later, so don't worry about the wiring or anything
kk
I'll take it out of the box at least though
Haha
It still feels like a long time since I've been on this floor though
I know
We didn't live together all that long in the end
Wow
Haha
Excuse the intrusion
Just kidding
Well then, please step inside!



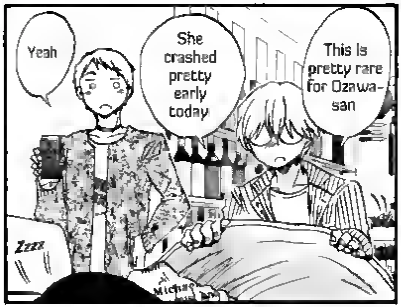
酒
$F=G\frac{M\bullet}{r^2}$
フム！
Sorry bout that.
And do you understand how I felt about having to move the same things in and out as a result of that?
But really, this type of makeover is supposed to be a blend of things we each appreciate in just the right way. At least, that's the theory. What do you think?
Oh, nice!
I tried to add a few elements that would represent me
While preserving all the essential elements that make up Bonnouji.
Wow

And this is a sofa bed for guests
Me, of course
Ah, I see
That's his contribution!
Right.
And what's with this tacky bed?
YES
NO
百発百中
Y E S !!
Let's drink!
To the completion of the new Bonnouji and —
Well Ahem then,
Kanpai!!
—To the start of your new cohabitation



That would explain it
She was probably exhausted from carrying heavy objects around since early morning, you know?

Yawn
Ah, okay, thanks for everything!
I'm really tired too



Yeah
She crashed pretty early today
This is pretty rare for Ozawa-san
Zzzz

See?
Well look
And why are you getting into the bed?
'Night.

don't you think But.. Ozawa-san will be surprised when she wakes up?
...
No way
I'll concede your right to sleep next to me
I guess there's only one option!
YES
Might be...
...Interesting.
NO
Zzzz
Next day

煩悩寺
BONNOUJI

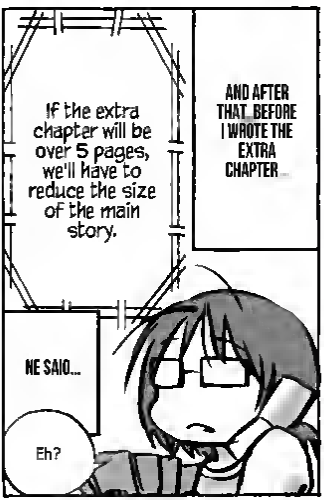
Extra manga

Well, that particular one, anyway
When it comes to bonnou...* you think about "that," you know?
Ero
エロス
煩悩寺
Volume 2 of Bonnouji!
Thank you for reading
On top of that, I was really pressured to complete 2 tankouban for other companies (a serialized work and a periodic publication...)
And since I felt ill, I stopped being able to think about anything...
Swif
...?
Swif
I'm healthy again now!
I couldn't stop the sweet voices from playing in my mind!
Aaah!
and such was volume 2!
when I was finalizing the tankouban, I had to read back and ended up taking a lot of damage.
Since I didn't have any memories of when I was completing the draft,
It looks really...
Ember rousing...
Woah...

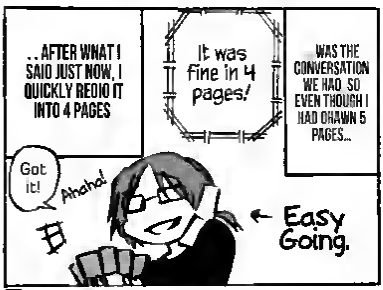
T/N Bonnou are known as "kleshas" in English (http://en.wikipedia.org/wiki/Kleshas) and are the Buddhist mental states that cloud the mind — including desire. Sorta like the 7 sins in Christianity, though more on the decadent side. Bonnouji, literally, is "The Temple of Kleshas."

Let's see.
Ah!
Those two are going out with each other, right?
Yeah That's right
Cough
I whined to my supervisor.
T-san, about that tankoubon request, do you have any good ideas?
Hmm?
Huh?!
How about Ozawa-san gives Oyamada-kun a kiss this time...?
Yes, yes.
What is it?
Actually, um...
T-san is also past middle age now, don't you think it's time you calm down a bit?
I'm not that old!!

Ahaha!!
...during that whole process, why do I have to be looking at them kissing?
I can't take it!
It's no laughing matter...
Make a rough sketch, add some shading, ink the lines, separate the parts, add color...
...and presto, a color page is finally done
Yes, yes!
Modifications, all sorts of other details...
So I thought I should use this meeting as a chance to apologize
Sorry...
Whenever I have a break at work, I am always drawing doujinshi.
NEW BOOK
Don't worry about it.
...?
And so, in that way,
I barely managed to get through the gate for this manga.
Ahaha!!
Another day
Yes, yes.
By the way, T-san...



If the extra chapter will be over 5 pages, we'll have to reduce the size of the main story.
AND AFTER THAT, BEFORE I WROTE THE EXTRA CHAPTER...
NE SAIO...
Eh?



..AFTER WHAT I SAID JUST NOW, I QUICKLY REDID IT INTO 4 PAGES
It was fine in 4 pages!
WAS THE CONVERSATION WE HAD SO EVEN THOUGH I HAD DRAWN 5 PAGES...
Got it!
Ahaha!
Easy Going.

I'll be glad if you also read volume 3
When I take breaks, I'm always playing card games.

QC note: We love easy going ppl too XD
